The following statement is for the individual:

Statement of Acknowledgement:

By completing and signing this form, you are verifying that you have read and understand the following statement:

I understand that my User ID, in combination with my Bio ID (fingerprint) or password, will be my electronic signature for all transactions within Pyxis ES Systems. I understand that no retrievable record of my fingerprint exists. All of my transactions on the Pyxis will be permanently recorded with my User ID and a time-stamp and date. These records will be maintained and archived. I will use proper patient identifiers for all transactions. I understand that I may not share my access and verification codes with anyone else. I understand that abuse of these privileges granted to me IAW MDGI 44-126 will result in immediate termination of access.
